

Limited Lifetime Warranty: MEDglas™ Prefabricated OR Walls

STERIS warrants to the Customer purchasing STERIS's MEDglas Wall Panels
that the Wall Panels will be free from manufacturing defects*

Limited Lifetime Warranty: MEDglas Wall Solutions (North America & Europe)

STERIS warrants to the Customer purchasing STERIS's MEDglas Wall Panels that the Wall Panels will be free from manufacturing defects including cracking, discoloration, flaking, and corroding when subject to normal and proper use during the lifetime of the product. Should any one of the listed defects occur, STERIS will provide a replacement Wall Panels. The Customer's only remedy will be limited to the replacement of the defective part.

LIMITATIONS:

This limited warranty does not provide protection against any failure, defect, or damage to Wall Panels caused by situations and events beyond normal exposure conditions, including but not limited to:

- Misuse, abuse, neglect or improper handling or cleaning, including using cleaning chemistries that are not referenced on the product specifications sheet;
- Improper installation or deinstallation or installation of Wall Panels not in strict adherence to the written instruction(s);
- Improper installation or attachment of equipment or products to the Wall Panels or support structures;
- Impact of foreign object(s), including but not limited to surgical tables, light heads, cars, etc.;
- Acts of God, including but not limited to fire, earthquake, flood, lightning, hail, hurricane, tornado or other casualty or acts of God;
- Building Conditions/events – including but not limited to water leaks, smoke, electrical damage, fire;
- Movement, distortion, collapse or settling of the ground, foundation or structure on which the Wall Panels or support structures are installed; and
- Any other cause not involving manufacturing defect in the material supplied by STERIS.

Abrasive cleaners and other common pollutants including but not limited to metal oxides or metallic particles, mildew, mold, or exposure to harmful chemicals or UV light may cause a gradual change of color, chalking or accumulation of spots or dirt on all exposed surfaces; these are natural occurrences, which are also excluded from this limited warranty.

Normal weathering is defined as exposure to sunlight and extremes of weather and atmosphere, which will gradually affect any exposed surface. The severity of any condition depends on the geographical location of the Wall Panel, the cleanliness of the air in the area, and many other influences over which STERIS has no control.

STERIS shall have sole discretion to determine, based on reasonable criteria, whether the Wall Panel is suffering from normal weathering. If the Wall Panel weathers to a degree determined by STERIS to be beyond normal based on the local conditions, STERIS will provide a replacement Wall Panel.

This limited warranty only provides for the replacement of any defective Wall Panel(s) and does not include the cost of other expenses associated with the removal or installation of either the original or the replacement Wall Panels. This limited warranty also does not include the cost of repainting, coating, or laminating the replacement Wall Panel(s) -- with such costs to be borne by the Customer.

This limited warranty does not apply to products that have been painted, varnished, or coated, in any manner whatsoever, over the manufacturers' original finish. STERIS reserves the right to discontinue or modify any of its products, including the color, specification, etc. without notice, nor shall STERIS be liable in the event the replacement material may vary in color or coating or gloss in comparison to the original product.

OTHER CONDITIONS. This limited warranty replaces all other oral or written warranties, liabilities, or obligations of STERIS relating to the Wall Panels. In no event shall STERIS be liable for consequential or incidental damage of any kind, including any damage to the building, its contents, or any person therein, resulting from the breach of this warranty. STERIS does not authorize its field representatives to make any change or modification to this warranty. All purchases are subject to STERIS's Standard Terms and Conditions of Sale. This warranty is non-transferable and non-assignable.
